Why India (Bharat)?

India (Bhārat) is magnanimously known for its rich culture and heritage. India is a world-renowned capital of spiritual attainments. Its incredible richness and strength are coloured with the philosophy of 'unity in diversity' embalming *ek bharat shreshth bharat*. The traditional knowledge system fostered by ancient universities like Taxila University, Nalanda University, Vikramshila University and many more were world renowned prominent centres of education in India. Based on diverse cultural ethos, democratic and modern universities were established during colonial and postcolonial periods and henceforth other institutes of higher education imparting research oriented and outcome-based education were established. With these ancient and modern academic and research establishments in higher education, India has become the largest system of higher education found anywhere in the world.

Benefits of studying in India

Experience of multiculturalism: India is a place of multiculturalism where global fraternity is experienced by international visitors and learners. It lets the international learners to experience a potpourri of cultures, cuisines, civilizations, languages, historical and archaeological sites.

Higher Education at Reasonable Cost: To pursue higher education in India is adjustable for the people of all the countries economically categorised from Low-income economies to High-income economies. The cost incurred for pursuing higher education is comparatively lower than other countries.

Research Oriented Education: Higher Education in India aims to enrich the learners and equip them with concerned market knowledge which is fostered by providing them quality education and research.

Online and Blended Education: COVID 19 has globally affected life of all, but the pandemic could not stop our zeal to learn and impart knowledge. IITTM is committed educational institute to provide full support to the learners through blended learning approaches. The institute has started online system for education and research.

Incredible hospitality: is known for its warm hospitality. The cultural acceptance and progressive thinking at Indian educational institutes attract students from different parts of world to adjust easily.

Incredible India Darshan: While learning, international students get ample opportunity to visit the corners of India for which India is known as Incredible India. These destinations are off-campus laboratories to understand the Indian culture, architectural heritage, and pristine natural beauty. It also provides opportunity to learn destination planning and management.

Why Travel & Tourism Course?

World Travel and Tourism Council reports that the travel and tourism, being one of the world's largest sectors, influences the socio-economic development and recruiting fashions. It is accounted for 10.3% of global GDP and 330 million jobs, 1 in 10 jobs around the world or 10.4% of total employment in 2019. The progressively transforming tourist behaviour and demand patterns are posing sustained challenges to managing the global travel and tourism industry, which, in turn, equally yield global opportunities for professionally empowered managers.

Studying travel and tourism opens many exciting avenues, ranging from frontline service jobs to back-office careers in business development, marketing, and sales. The Travel and Tourism graduates are advantageously positioned to seek opportunities across the following sectors:

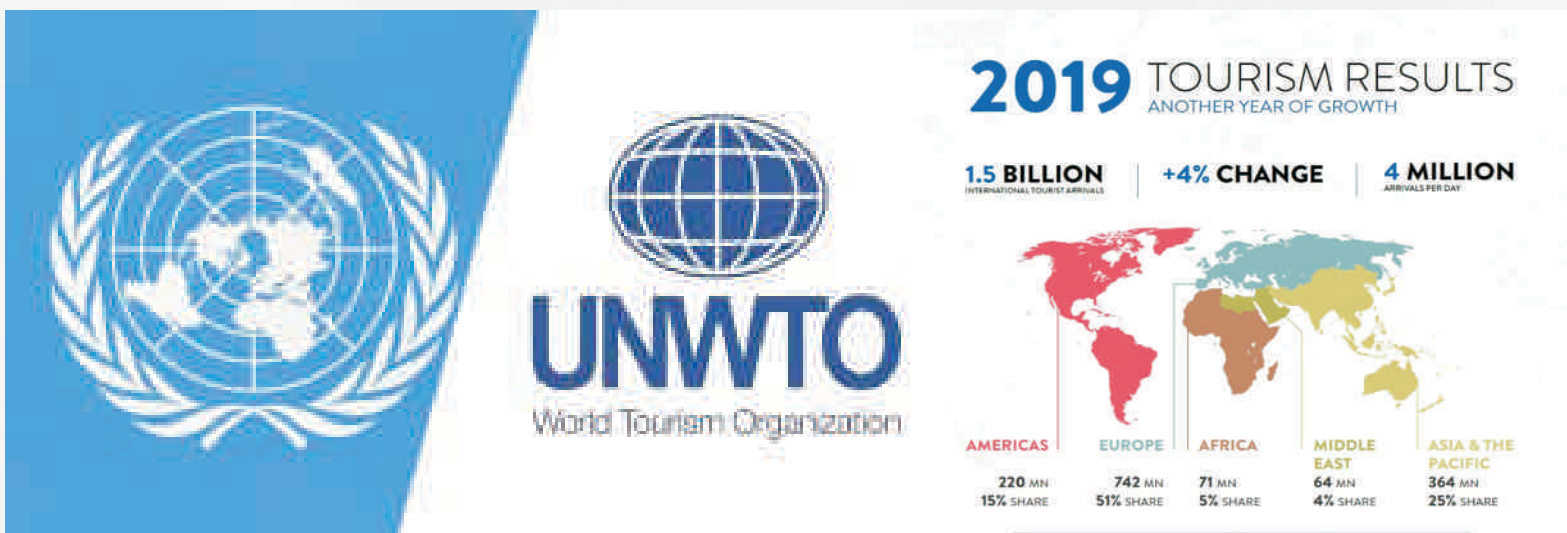

- Accommodation
- Food and Beverage services
- Transport and Transport Services (Road, Rail, Water and Air)
- Travel Services-Travel agency, Tour Operations, Online Travel Agency
- Recreation and Entertainment
- Education and Training
- Entrepreneurship and Start-Ups

Why IITTM

IITTM is an autonomous body under Ministry of Tourism Government of India. It is one of the premier institutes in the country offering education, training, research and consultancy in the field of tourism, travel and allied sectors.

Established in 1983, IITTM is a pioneer institution for travel and tourism education in India. The institute is managed by a Board of Governors, chaired by the Minister of Tourism, Govt. of India. It is one of the founder members of The United Nations Economic and Social Commission Asia and the Pacific (UN-ESCAP) promoted network of Asia Pacific Educational and Training Institute in Tourism (APETIT).

The institute has its headquarters at Gwalior with centres located at Bhubaneswar, Noida, Goa and Nellore, having in place state-of-the-art infrastructure on its campuses to cater the learning needs of students. In 2018 IITTM opened its camp offices at Shillong a natural beauty in Meghalaya and Bodhgaya a major Buddhist centre in Bihar.

Facilities at IITTM

IITTM centers have state-of the art infrastructure that supports a learning environment. Some of the features are as follows:

Infrastructure:

- **Classroom:** All the classrooms are spacious and air-conditioned equipped with high tech teaching aids that provide a conducive environment for learning.
- **Syndicate Rooms-** The Syndicate Rooms provide the perfect setting to acquire team skills through exercises like brain-storming sessions, group discussions and role-plays.
- **Library:** Institute has got a well-equipped and the largest stocked library keeping the developing minds and needs of students, faculty members and researchers. The library has a wide range of books on tourism and related subjects, magazines, periodicals, journals, video, and audio tapes available at each centre. The air-conditioned library is digitally maintained and provides a peaceful environment of learning.
- **Computer Labs:** The Computer Laboratories of the institute are equipped with computers of the latest configuration. Through these computers, students learn the various operational softwares as well as other necessary operations of the computer. The students are also trained in operating softwares specifically concerning the tourism industry.
- **Digital Facilities:** The institute has internet accessibility for both students and faculty members around the clock. The campuses are under surveillance.
- **Auditorium:** State-of-the-art auditorium in Gwalior act as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events. Other campuses also have facilities for organising conferences, workshops and other events.
- **Sports:** Playground and facilities for games like cricket, football, basketball, volleyball as well as indoor games like chess, carom, table –tennis, snooker etc. are available on campuses. The IITTM Gwalior campus has the best billiards table within Gwalior city.
- **Gymnasium:** Well- maintained, open air and closed gym for students.
- **Hostel:** On-campus residence facilities are offered to students at a very affordable price. The hostels are comfortable and convenient with common areas that provide the perfect environment to relax, socialise, study and learn. The students will have access to free wifi facilities in hostels.
- **Cafeteria:** The campus has canteen facility giving students time to relax and meet each other.
- **Medical facility:** We have medical facility of first aid and doctor's visit at all the campuses.

Well Furnished Hostels separate for Boys & Girls

Facilities at IITTM...

Extracurricular Activities: Life at IITTM is very vibrant and exciting. In addition to academic pursuits, extracurricular activities make up a valuable part of the overall experience of students. Students have a wide range of leisure, sports and cultural activities to get involved and create memories of a lifetime. There are Societies managed by students that bring out the talents of students. They are Literary Society, Music Society, Dance Society, Theatre society, Sports society & Social Responsibility Society.

Study Tours: A study tour is a unique travel experience that combines learning with travelling. As part of the study tour students are taken to Gulmarg, Manali, Dharamshala where they learn adventure sports, and get a certificate for the same. They are also taken to other tourist destinations in India where they learn about different tourism products of India.

Industry Exposure- To bridge the gap between theoretical classroom learning and practical learning, IITTM has a structured program of summer training and internship. This helps students experience learning outside the classroom environment and gain a better understanding of the functioning of industry and get acquainted with the challenges in the global market.

Alumni Meets/Cell: The institute takes pride to have a strong alumnus who supports back to the institute by guiding and mentoring students.

International Student Cell (ISC): IITTM provides dispute resolution system that takes immediate actions at grievances and needs raised by any student. To welcome and make international students feel familiar inhabitants, ISC is committed to facilitate the following activities:

- Conducting orientation programs to familiarize students with academic and administrative systems such as fee structure, eligibility criteria, ethics, legalities, and policies of the Institute.
- Faculty mentoring who coordinate with guardians/parents regarding progress of the student at the end of a semester or once in every six months. If required support and assistance for visas and related immigration process, if necessary will be provided.
- IITTM strictly say no to Ragging, and any discriminative policies based on caste, creed, race, colour, religion, and culture. ISC maintains this very strictly by conducting certain events to encourage social and cultural amalgamation and mutual respect.

Women Grievance Redressal Committee: IITTM takes activities based on gender inequalities as punitive. The Committee is meant to safeguard and promote the wellbeing of all women students and takes care of their grievances in accordance with the rules and regulations of the institute.

How we make student tourism industry ready?

At IITTM, our programmes incorporate both subject-specific and generic business modules and have been designed to reflect industry practices and academic developments. Each of our existing courses upon tourism as a business activity - the organisation, dimensions, social significance and impact of tourism are studied.

With entry profiles ranging from beginners to advanced levels, our programs are tailor made to meet the present need of the tourism industry. Learners are supported at every stage of learning and career development.

Two -year full-time Master of Business Administration in Tourism & Travel Management and Bachelor of Business Administration in Tourism & Travel (As per the MoU signed for collaboration with IGNT University – Ministry of HRD, Govt. of India) are offered for learners to enable them to acquire the right skill set with ample flexibility to adapt to employing the organization's needs.

Teaching pedagogy is a combination of classroom learning, discussions, presentations and on-the-job training. We strive to inspire students by providing them with the opportunity to interact with industry leaders who share their knowledge and experience.

English Language Requirements

The language of instructions in IITTM is English and it is recommended that all international students applying for admission to the regular programme should be proficient in the English Language (reading, writing, speaking and understanding of the English Language). The students will be assisted in learning the English language, if required.

About Programmes

MBA (Tourism & Travel Management)

Master of Business Administration (Tourism & Travel Management) is a two-year (four semesters) full-time degree course (under the collaborative scheme of IGNT University, Amarkantak – Ministry of HRD, Govt. of India) from its centres Gwalior, Noida, Bhubaneswar, Goa and Nellore.
