**Tourism is not to be learnt in the class,
But on the field...**

A scenic view of a road lined with green hedges and trees, with fallen leaves scattered on the pavement. The road is paved and has a blue and white striped curb on the left. The hedges are lush green and well-maintained. In the background, there are more trees and a clear sky. The overall atmosphere is peaceful and serene.

**"In every change, in every falling leaf there is some pain, some beauty,
but that's the way new leaves grow."
-iitbm**

A photograph of a path lined with trees during a rainstorm. The path is wet and reflects the light. The trees are lush green, and the air is filled with mist and rain. The scene is captured in a soft, painterly style.

**There is something about the way,
my path looks when its just rained...
-iittm**

**Hope is being able to see that, there is light despite of all the darkness..

*You're here for only a short visit, Don't hurry, Don't worry and
Be sure to smell all the Flowers along my way
